The grid displays 47 different promotional diploma designs, each with a unique aesthetic. The designs vary in color (including purple, yellow, red, blue, green, and black), font styles, and decorative elements. Many templates include a 'LOGO školy' (School Logo) field and a 'Meno Priezvisko' (Name and Surname) field. Some designs feature photos of graduates, graduation caps, or celebratory graphics. Each design is accompanied by a small blue box with a white price tag, such as 'PR 1', 'PR 2', up to 'PR 47'. The text on the diplomas is in Slovak, typically announcing the successful completion of studies and the awarding of a diploma on a specific date and time.
